

Developing a Private Rented Sector Strategy for Newport

Why?

What we know...

- Where
 - Most common in inner city wards
 - Some areas more than 50% households.
- What
 - Terraced houses.
 - Concentrations of flats and shared houses in some areas.
- Who
 - Anyone!
 - Some groups more likely to encounter problems.

What we need to know

- Hidden households
 - Small but with significant impact
 - Poor conditions and exploitation
- What we can do to help you
 - Supporting good landlords
 - Maintaining a high quality PRS

Next Steps

- Talk to us!
- Steering group meetings
- Further consultation
- Strategy publication
