

## Highway Response

Ref: 25/0923

Date: 17/11/25

**PROPOSAL:** REPLACEMENT AND EXTENSION OF DRIVEWAY TO FRONT OF DWELLING

**SITE:** 15 Caernarvon Drive Rhiwderin Newport NP10 8QT

Case Officer: Kelsey Parsons

Highway Officer: Kevin Jackson

**Highway recommendation:**

Objection.

**Highway Comments:**

The proposed drive is 9.5m wide and would require a footway crossing of similar width. This would reduce on street parking and be prejudicial to disabled pedestrians and is therefore not supported. Highways would however support widening to a double width (around 5m) and associated changes to the crossing/kerbs.

For the avoidance of doubt highways would not support parking adjacent and parallel to footway. All vehicles must approach footway more or less perpendicular to it. An inverted L could be supported with landscaping adjacent to footway, but not the other way around.
