Hello,

Thank you for asking for our comments

We would anticipate the property receive a single 120l bin for kerbside collection with recycling bags, boxes for kerbside collection also with one council tax paid on the property as a whole.

From April 1st 2020, developers or owners of all new residential units will be required to purchase bin provision for each unit serviced to meet the Council's specification. 120L, 180L, 240L and 360L wheeled bins must be purchased/obtained from Newport City Council. 660L and 1100L bins can be purchased elsewhere but it is strongly recommended to speak to NCC Waste Management Refuse Management beforehand to ensure the bins fit the Refuse Department collection vehicles safely. Failure to purchase correct bin(s) will result in collections being suspended with the Council reserving the right to refuse collection until suitable bin specifications are met.

Best wishes
Concha
