Stance: Customer objects to the Planning Application

---

Reasons for  
comment:

Comments: This is an area where you have a park where children congregate to play of all ages. Yes it is on a main road for buses but the 2 Doctors surgeries are full to capacity, as over the past 7 years they have taken on patients from 3 surgeries that closed and the dentist cannot take patients on who live in the area now. People are struggling to get Doctors appointments . How come the application has been applied for now when the work has been carried out already. I object as the area has not got the facilities for an HMO,I, there is no work in the surrounding area for them so what are they going to do. It can also effect homeowners when it comes to selling properties.
