In pursuance of its powers under Section 191 and 192 of the above Act [as amended by Section 10 of the Planning and Compensation Act 1991] and Article 4 of the above Regulations, the Council of the City of Newport notifies you of its decision in respect of your application, registered by them on 4th November 2024. The application has been:-

Refused

Reasons for the decision:

1. Whilst insufficient information has been submitted to fully understand the proposals and the extent of the planning unit (existing and proposed), the proposed changes of use are considered to constitute development by reason of being a material change of use as defined by Section 55 of the Town and Country Planning Act 1995 (as amended) and are not permitted development as defined in The Town and Country Planning (Use Classes) Order 1987 (as amended) and The Town and Country Planning (General Permitted Development) Order 1995, Schedule 2, Part 3.

NOTE TO APPLICANT

1. This decision relates to plan Nos: jw1174-102 Existing Elevations; 1174-110 Proposed Elevations OPTION B; jw1174-100 Existing Basement and Ground Floor Plans; jw1174-105 Proposed Basement and Ground Floor Plans - Rev B; hounds the barbers (1) (1) (1).; MapSearch-20230309-132249; supporting information on second floor operations.
2. The development plan for Newport is the Newport Local Development Plan 2011 - 2026 (Adopted January 2015).
3. Due to the minor nature of the proposed development (including any demolition) and the location of the proposed development, it is considered that the proposals did not need to be screened under the Environmental Impact Assessment Regulations.

In refusing this certificate of lawfulness the Local Planning Authority has determined that planning consent is required for the development as described above.

Please note that the statement in this Certificate of what is lawful relates only to the state of affairs at the date of the application and on the evidence submitted in the application.

Please also note that this determination relates to whether or not planning consent is required and does not constitute a determination under the Building Regulations for which separate consent may be required. For advice on the requirements of the Building Regulations and allied legislation, and/or whether there is a need for a Building Regulations submission, please contact the Council's Building Control Section on 01633 414529 or email building.control@newport.gov.uk.

If you do not agree with this decision, you may appeal to the National Assembly for Wales [please read the notes on the reverse of this Certificate].

The plans have been assessed on the basis of the scale or dimensions stipulated and any statement of 'do not scale' (or similar) has been disregarded.

Notes for Applicants

TOWN AND COUNTRY PLANNING ACT 1990 (as amended)

Appeals to the Welsh Government

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission or grant it subject to conditions, then you can appeal to the Welsh Government under Section 78 of the Town and Country Planning Act (as amended).
- Appeals must be made within a prescribed time period that is dependent on the application type. These time periods along with further information on the appeals process are available here and should be checked immediately: [Planning appeals | Sub-topic | GOV.WALES](#)
- Appeals in respect of:
 - Householder and 'minor commercial' development must be received within 12 weeks from the date of the decision notice;
 - Advertisement consent applications must be received within 8 weeks from the date of the decision notice; and,
 - Other types of planning application must be received within 6 months from the date of the decision notice.

Appeal forms can be downloaded at Planning Casework (gov.wales) or are obtainable from Planning and Environment Decisions Wales, Crown Buildings, Cathays Park, Cardiff, CF10 3NQ, email PEDW.Casework@gov.wales

- The Welsh Ministers can allow a longer period for giving notice of an appeal, but are not normally prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Welsh Ministers do not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by them.

Purchase Notices

- If either the Local Planning Authority or the Welsh Government refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonable beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a Purchase Notice on the Council. This notice will require the Council to purchase his/her interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990 (as amended).
