TOWN AND COUNTRY PLANNING ACT 1990 [as amended]

Application No: **25/0381**

Application Type: **Full**

Proposal: **REMODELLING OF PART OF LOWER GROUND FLOOR FLAT AND PART OF GROUND FLOOR TO CREATE TWO FLATS (C3 USE) INCLUDING ENLARGED LOWER GROUND FLOOR FLAT AND GROUND FLOOR FLAT**

Site/Location: **12 Commercial Road, Newport, South Wales, NP20 2PA**

Decision Date: **25th September 2025**

In pursuance of its powers under the above Act the Council of the City of Newport notifies you of its decision in respect of your application, registered by them on 28th May 2025. The application has been:-

Refused

Reason(s) for refusal:

1. The development would have a significant adverse impact upon interests of acknowledged importance, namely safety and residential amenity due to the failure to demonstrate through an adequate Flood Consequences Assessment that the risks and consequences of flooding, including means of access and egress, can be acceptably managed. Therefore, the proposal is contrary to Policy SP3 of the Newport Local Development Plan 2011-2026 (adopted January 2015) and Technical Advice Note 15 (Flood Risk).
2. The development would have an adverse impact upon interests of acknowledged importance, namely residential amenity of future occupiers, due to a poor outlook and insufficient natural daylight entering the property, which could harm their well-being. Additionally, the inappropriate access arrangement is likely to create a fear of crime among residents. Therefore, the proposal is contrary to Policy GP2 of the Newport Local Development Plan 2011-2026 (adopted January 2015).
3. The development would have an adverse impact upon interests of acknowledged importance, namely residential amenity of future occupiers, with a failure to provide a noise survey to determine the impact of noise levels from internal or external sources and any mitigation to alleviate this impact. Therefore, the proposal is contrary to Policy GP2 of the Newport Local Development Plan 2011-2026 (adopted January 2015).
4. The proposed development will have a significant adverse impact upon interests of acknowledged importance, namely affordable housing. No signed legal agreement has been provided for the commuted sum contribution to assist the Council in meeting its on-going requirement for affordable housing. This is contrary to Policy H4 of the Newport Local Development Plan 2011 - 2026 (Adopted January 2015).

2. The development plan for Newport is the Newport Local Development Plan 2011 - 2026 (Adopted January 2015). Policies SP1, SP2, SP3, SP13, SP18, GP2, GP4, GP5, GP6, GP7, H2, H8, T4, R7 and W3 were relevant to the determination of this application.
3. Due to the minor nature of the proposed development (including any demolition) and the location of the proposed development, it is considered that the proposals did not need to be screened under the Environmental Impact Assessment Regulations.

Notes for Applicants

TOWN AND COUNTRY PLANNING ACT 1990 (as amended)

Appeals to the Welsh Government

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission or grant it subject to conditions, then you can appeal to the Welsh Government under Section 78 of the Town and Country Planning Act (as amended).
- Appeals must be made within a prescribed time period that is dependent on the application type. These time periods along with further information on the appeals process are available here and should be checked immediately: [Planning appeals | Sub-topic | GOV.WALES](#)
- Appeals in respect of:
 - Householder and 'minor commercial' development must be received within 12 weeks from the date of the decision notice;
 - Advertisement consent applications must be received within 8 weeks from the date of the decision notice; and,
 - Other types of planning application must be received within 6 months from the date of the decision notice.

Appeal forms can be downloaded at Planning Casework (gov.wales) or are obtainable from Planning and Environment Decisions Wales, Crown Buildings, Cathays Park, Cardiff, CF10 3NQ, email PEDW.Casework@gov.wales

- The Welsh Ministers can allow a longer period for giving notice of an appeal, but are not normally prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Welsh Ministers do not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by them.

Purchase Notices

- If either the Local Planning Authority or the Welsh Government refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonable beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a Purchase Notice on the Council. This notice will require the Council to purchase his/her interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990 (as amended).
