Subject: RE: Planning Consultation Request for case ref: 25/0381

Emma,

Thank you for asking for our comments

For the flats, we would anticipate each one receive a single 120l bin for kerbside collection with recycling bags, boxes for kerbside collection also with each flat paying individual council tax.

From April 1st 2020, developers or owners of all new residential units will be required to purchase bin provision for each unit serviced to meet the Council's specification. 120L, 180L, 240L and 360L wheeled bins must be purchased/obtained from Newport City Council. 660L and 1100L bins can be purchased elsewhere but it is strongly recommended to speak to NCC Waste Management Refuse Management beforehand to ensure the bins fit the Refuse Department collection vehicles safely. Failure to purchase correct bin(s) will result in collections being suspended with the Council reserving the right to refuse collection until suitable bin specifications are met.

Regards

Concha

Dear Head Of Environment & Public Protection

Please find attached correspondence from Newport Council with regards to the above planning application submitted on 20 May 2025.

Your sincerely

Development Management
