Ref: RECON 24/0044

Date: 12/08/24

PROPOSAL: CONVERSION OF EXISTING CHURCH TO 9NO.FLATS

SITE: St Paul's Church Commercial Street Newport NP20 1LU

Case Officer: Catherine Aldous

Highway Officer: Kevin Jackson

Following receipt of additional information, we would update our comments as follows.

Highway recommendation:

Objection maintained.

Highway Comments:

In response to previous comments, we have received and reviewed swept path assessment for a 9m HGV. Notwithstanding current refuse SPG this is not the largest vehicle expected. Furthermore, the assessment does not show the path of the wheels and it is not clear if it can pass under the tree; but it does demonstrate that even this vehicle (which is agile for its size) cannot safely turn within the site.

We would therefore maintain the objection pending amendment to the layout and further assessment.
