Subject: Re: Planning Consultation Request for case ref: 24/1046

Good morning,

In regards to this application

Having reviewed the information, a SAB application may be required due to the scale of the works. Further information can be found in the following link. [Sustainable drainage systems | Newport City Council](#)
We would encourage the applicant to engage with us at the earliest opportunity to ensure that the planning application and sab application can be reviewed in conjunction to ensure the design satisfies SAB and planning standards.

Kind Regards

NCC-SAB

Dear Stephen Jones, Senior Drainage Engineer (SAB)

Please find attached correspondence from Newport Council with regards to the above planning application submitted on 26 December 2024.

Your sincerely
Development Management
