

Letter of support for planning application garage ref... **25/1038**

36 Duckpool Road

Newport

NP19 8FL

I can confirm that I am the owner of the property 36 Duckpool Road near the garage application.
There is room to park up to 5 vehicles in garage.

I am also the Secretary Of The Islamic Society For Wales. I can inform you that I drive during the day
and night down Exeter ... and I DONT see Roman Taxis parked on the road by the premises.

I dont see any pollution or noise from the premises.

I can also confirm that members of the Mosque from Hereford Street park their vehicles outside the
premises and surrounding area on Friday prayers time.

I hope you will approve the planning application for this applicant. They are an excellent family and
well respected in Newport. Thank you in this regard.

Kind Regards

To Whom It May Concern,

I am writing to express my strong support for Roman Auto Centre a local business that will play a vital role in our community. As a long-standing resident of Newport, I have had the pleasure of engaging with this business on numerous occasions and have consistently been impressed by their commitment to quality, service, and community involvement.

Roman Auto Centre is more than just a place of commerce—it is a cornerstone of our local economy and a gathering place that fosters a sense of community. Whether through outstanding customer service, dedication to sustainable practices, or support of local events and charities they consistently goes above and beyond to make a positive impact.

Small businesses like Roman Auto Centre are essential to the character and economic health of our neighborhoods. They create jobs, provide unique goods and services, and reinvest in the local community in ways that large corporations often do not. In every interaction they have demonstrated professionalism, integrity, and a genuine care for their customers and neighbors.

I wholeheartedly support Roman Auto centre in all current and future endeavors, including any applications or permits they pursue.

Dear whom it may concern

I, [REDACTED] Chairman of Newport Round Table writes this letter of gratitude and thanks for your support of Newport Roundtable with our charity santa sleigh.

Roman auto centre have kindly taken our sleigh into storage at there premises free of charge and also have taken on the maintenance of the santa sleigh also free of charge along with its equipment and so far have done a fantastic job with welding and other mechanical works to keep it road worthy ready for December.

This is a massive help to a local charity who raise fund through the santa sleigh which is donated back to local charities and good causes in the Newport area.

We can't thank Dale and roman auto centre enough for their kindness and community spirit for all there help with storage and matinence.

Many thanks

[REDACTED]
Chairman
