

OFF SITE MITIGATION

We acknowledge the requirement that all felled trees must be replaced at a ratio of three replacement trees for each tree removed, with the new trees to be **select standards** (10–12 cm girth at 1 m height) in accordance with BS 8545. We confirm that we will comply with this requirement.

Off-Site Mitigation on land within Newport's boundary - 12 replacement trees will be sited at NP44 3EE. Land to the west of Collstar Yard. All replacement trees will be planted as select standards (10–12 cm girth at 1 m height) in accordance with BS 8545.

Boundary of location highlighted in red, Newport City Council boundary highlighted in blue, site identified by red arrow.

We will work with NCC to ensure the proposed site meets their requirements and supports long-term establishment.
