

Notice of intent to carry out an operation likely to damage special interest on a Site of Special Scientific Interest (SSSI) - Section 28G Authority

Details

This form may be used by statutory undertakers or public bodies planning operations that are likely to damage a SSSI.

SSSI name(s):

Gwent Levels - Nash and Goldcliff

Address or location and National Grid Reference:

Address

Common Farm

Broad Street Common

Nash, Newport

Postcode

NP18 2AZ

National grid reference (10 digits)

ST35578481

Details of proposed operation:

We are intending to install Full Fibre broadband to Common Farm - This will consist of installing approx. 150m of underground ducting along the private track road to the property.

Please attach method statements, photographs or diagrams if these will help to explain your proposals.

- File: Common Farm Photos.png - [Download](#)

Please upload a map or aerial photograph to illustrate the area of land you intend to carry out this operation.

Please supply enough information to allow us to locate the land where you wish to carry out the work. If we are unable to determine the location of the proposed works, we will be unable to accept your notice. An annotated map is most helpful. Please include any relevant ancillary works, such as access routes, material storage or disposal locations.
