Thank you for consulting us about this amended application; consequently we have reviewed the detailed information contained on your website.

We have consulted the regional Historic Environment Record and note that the area is within the Archaeologically Sensitive Area of Caerleon, characterised for the concentration of evidence of activity from the Roman and Medieval periods. The data also shows that the application area is within the Scheduled Monument of Caerleon Legionary Fortress: Area behind Caerleon House, Cadw reference MM240.

As the area is a Scheduled Monument, it falls within the remit of Cadw to comment on the application, rather than Heneb.

If you have any questions or require further advice on this matter please do not hesitate to contact us.

Yours faithfully

Judith Doyle
