Hi Geraint

I hope all is well.

Further to the above please find attached the amended plans as requested for HT C & D.

House Type L – Please note that the omitted windows will only relate to plots 1-36 and not 1-35 as per the previous email and will be in keeping with those implemented as part of phase 1 as they overlook the industrial units. The HTL units in phase 3 would remain as approved.

I hope the attached allows you to approve the NMA.

Please let me know if you require anything further.

Kind Regards

Emma
