PROPOSAL: INSTALLATION OF 140M OF UNDERGROUND SOFT DUCT

SITE: Common Farm Broad Street Common Nash Newport

APPLICATION TYPE: Prior approval 56 day

CASE OFFICER: Francesca Saunders

RECOMMENDATION: NO OBJECTION [SUBJECT TO CONDITIONS]

Comments:

My only comment would be proximity of the proposed trench to the tree root protection area for the mature hedgerow tree shown in the submitted photo below – just to ensure this particular tree is picked up to **ensure minimal damage to the RPA** possibly requiring a method statement – note this may be contained within the reference document provided in the tree team comments?
