

I am writing regarding the above planning application in relation to 10 Clipper Close.

I would have submitted a comment online, but I was hesitant to do so as the form requested my telephone number and email address. I was unsure whether these personal details would be visible publicly alongside my comment.

I would like to confirm that I have no objection to the proposed planning application. The residents of 10 Clipper Close have always parked their vehicles considerately and respectfully, and they have ample space on their driveway to accommodate multiple vehicles without causing any issues.

I hope this comment can be taken into consideration as part of the planning application.

Comments: I have no objections to this proposal. My neighbour is a very considerate and responsible individual in the conduct of his business. He creates no disruption through noise or any other anti social behaviour.
