Hi Marnie

I am glad you got a suitable time for you both.

So we will be applying for waste trade collection

We will have 5 domestic ovens and 5 double induction hobs along with fridge freezer, kettle, 2 microwaves and a toaster that is all the equipment.

No deep fat fryers, air fryers , none of our recipes are involving any kind of deep fat frying techniques at all. We usually run in community centres and church halls to give you an idea of what we currently use as venues.
