Dear Joanne

Thank you for consulting Natural Resources Wales on the above application, received 01/05/2026.

We did not request condition 4 of 25/1030 which the application is seeking to discharge. Therefore, we do not have any comment to make on the application.

Please note, our decision not to comment does not rule out the potential for the proposed development to affect other interests, including environmental interests of local importance.

The applicant should be advised that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents relevant to their development.

We trust the above information is of assistance however, should you have any queries, please do not hesitate to contact me.

Kind regards

Annabelle
