Proposal: **EXTERNAL LIGHTING, NAMEPLATE, CCTV CAMERAS, SECURITY BOXES, AIR CONDITIONING UNITS
DRILLING INTO MORTAR, MORTAR FIXING, EXTERNAL UNIT PLACEMENT, STONE REMOVAL AND
STONE REPLACEMENT**

Decision Date: **16th April 2026**

In pursuance of its powers under the above Act the Council of the City of Newport notifies you of its decision in respect of your application, registered by them on 27th December 2025. The application has been:-

Refused

Reason(s) for refusal:

1. The proposed signage would be very prominent and visually obstructive upon the principal elevation of the building. As such it would result in harm to its special architectural and historic interest. The proposal therefore fails to satisfy the requirements of current legislation s96 of the 2023 Historic Environment Wales Act, national planning policy detailed in Planning Policy Wales and TAN 24, and Policy SP9 of The Newport Local Development Plan 2011-2026 (adopted in January 2015).
2. The application is insufficiently detailed regarding the significance, proposed works and the impact of said works upon The Former Llanthwy Road Baptist Church (and attached Sunday School wing), a Grade II Listed Building. As such, the applicant has failed to demonstrate that the development would not cause harm to its special architectural and historic interest. The proposal therefore fails to satisfy the requirements of current legislation s90(2) of the 2023 Historic Environment Wales Act, national planning policy detailed in Planning Policy Wales and TAN 24, and Policy SP9 of The Newport Local Development Plan 2011-2026 (adopted in January 2015).
3. The proposal does not include a Green Infrastructure Statement or an appropriate scheme for biodiversity net-benefit, contrary to Policy SP1 and GP5 of the Newport Local Development Plan 2011-2026 (adopted January 2015), Chapter 6 of Planning Policy Wales (Edition 12) and Policy 9 of Future Wales.
4. The proposed development has failed to demonstrate that the proposals would not have an unacceptable impact on residential amenity for future occupants, by way of illuminance levels and direction of the CCTV. The proposals is therefore contrary to policy GP2 of the Local Development for Newport, 2011-2026 (Adopted January 2015).

NOTE TO APPLICANT

This decision notice is issued in respect of Planning Permission only and does not convey any decision which may be required under any other legislation or provisions, such as the Building Regulations.
The plans have been assessed on the basis of the scale or dimensions stipulated and any statement of 'do not scale' (or similar) has been disregarded.

1. This decision relates to plan Nos: Elevations and Examples, Method Statement, Heritage Statement
2. The development plan for Newport is the Newport Local Development Plan 2011 - 2026 (Adopted January 2015). Policies GP2, GP4, GP6, CE7 and SP9 were relevant to the determination of this application.
3. Due to the minor nature of the proposed development (including any demolition) and the location of the proposed development, it is considered that the proposals did not need to be screened under the Environmental Impact Assessment Regulations.

Notes for Applicants

TOWN AND COUNTRY PLANNING ACT 1990 (as amended)

Appeals to the Welsh Government

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission or grant it subject to conditions, then you can appeal to the Welsh Government under Section 78 of the Town and Country Planning Act (as amended).
- Appeals must be made within a prescribed time period that is dependent on the application type. These time periods along with further information on the appeals process are available here and should be checked immediately: [Planning appeals | Sub-topic | GOV.WALES](#)
- Appeals in respect of:
 - Householder and 'minor commercial' development must be received within 12 weeks from the date of the decision notice;
 - Advertisement consent applications must be received within 8 weeks from the date of the decision notice; and,
 - Other types of planning application must be received within 6 months from the date of the decision notice.

Appeal forms can be downloaded at Planning Casework (gov.wales) or are obtainable from Planning and Environment Decisions Wales, Crown Buildings, Cathays Park, Cardiff, CF10 3NQ, email PEDW.Casework@gov.wales

- The Welsh Ministers can allow a longer period for giving notice of an appeal, but are not normally prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Welsh Ministers do not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by them.

Purchase Notices

- If either the Local Planning Authority or the Welsh Government refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonable beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a Purchase Notice on the Council. This notice will require the Council to purchase his/her interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990 (as amended).
