1. BACKGROUND

- 1.1 This is a partial discharge of condition application associated with the redevelopment of the former University site.

2. SITE LOCATION AND CONTEXT

- 2.1 The site was formerly the Caerleon Teacher Training College listed for its special architectural interest as a well preserved example of early C20 educational architecture, a teacher training college of fine quality and character. Its form and appearance reflects the functions of the College and the requirements of teacher training during this period. The other buildings are also stated to have similar architectural interest, and all are considered to have group value. In more recent years the site was occupied by the University of South Wales with various extensions added to the buildings to accommodate educational and student living space. Further to the University's decision to close the site, planning permission was granted for its redevelopment for residential and a single housebuilder is currently developing out the new build elements of the approved scheme. The heritage buildings will be converted by a separate developer and this request relates to the listed building phase as specified by condition 41.

3. DESCRIPTION OF DEVELOPMENT

- 3.1 Condition 41 states:

The scheme of landscaping relating to the Listed Building phase hereby approved shall be undertaken in accordance with an implementation timetable and maintenance scheme that shall be submitted to and approved in writing by the Local Planning Authority prior to the commencement of conversion works on any listed building. The landscaping shall thereafter be completed and thereafter maintained in accordance with the scheme approved.

Reason: To ensure a good quality landscape scheme is delivered in the interests of general amenity and the setting of the listed buildings. GP2, GP6, SP9 of the Local Development Plan.

The requirements are specific to the Listed Building phase of development and specific in its requirements which are limited to an implementation timetable and maintenance scheme.

5. PLANNING POLICY

5.1 THE NATIONAL DEVELOPMENT FRAMEWORK: FUTURE WALES - THE NATIONAL PLAN 2040

Future Wales sets out the Welsh Government's land use priorities and provides a national land use framework for SDPs and LDPs. Future Wales concentrates on development and land use issues of national significance, indicating areas of major opportunities and change, highlighting areas that need protecting and enhancing and helping to co-ordinate the delivery of Welsh Government policies to maximise positive outcomes.

Policy 1 - Where Wales Will Grow

Policy 2 - Shaping Urban Growth and Regeneration - Strategic Placemaking

Policy 9 - Resilient Ecological Networks and Green Infrastructure

5.2 PLANNING POLICY WALES (EDITION 12) 2024

3.3 - Good design is fundamental to creating sustainable places where people want to live, work and socialise.

3.4 - Meeting the objectives of good design should be the aim of all those involved in the development process and should be applied to all development proposals at all scales.

5.3 NEWPORT LOCAL DEVELOPMENT PLAN (2011-2026)

Policies SP1, SP9, GP2, GP3, GP6, GP7.

5.4 SUPPLEMENTARY PLANNING GUIDANCE

None.

6. CONSULTATION RESPONSES

6.1 Landscape Officer:

The only document submitted is the Landscape Specification & Management Plan by TDA dated April 2023. This version was previously approved under 23/0682, along with Detailed Planting Plans 1-3 rev B and Planting Schedule rev B by The Urbanists. The condition also asks for an implementation timetable which has not been submitted. It is usually helpful if the maintenance plan incorporates or appends the soft landscape plans so they can be read as one.

7. PUBLIC REPRESENTATIONS

None.

8. **ASSESSMENT**

- 8.1 As the Landscape Officer has advised, the only supporting document provided as part of this request is a "Landscape Specification & Management Plan For Caerleon Campus, Newport Prepared By On Behalf of Acorn Property Group April 2023" that has previously been seen and approved. Whilst there are no specific concerns in relation to the management plan content, the purpose of the condition was to secure an implementation timetable and a maintenance scheme associated with this. The condition wording is clear on this matter. The document does not provide such detail and no further document(s) has been provided as part of this request.

9. **OTHER CONSIDERATIONS**

9.1 ***Crime and Disorder Act 1998***

Section 17(1) of the Crime and Disorder Act 1998 imposes a duty on the Local Authority to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area. This duty has been considered in the evaluation of this application. It is considered that there would be no significant or unacceptable increase in crime and disorder as a result of the proposed decision.

9.2 ***Equality Act 2010***

The Equality Act 2010 identifies a number of 'protected characteristics', namely age; disability; gender reassignment; pregnancy and maternity; race; religion or belief; sex; sexual orientation; marriage and civil partnership.

- 9.3 Having due regard to advancing equality involves:

- removing or minimising disadvantages suffered by people due to their protected characteristics;
- taking steps to meet the needs of people from protected groups where these differ from the need of other people; and
- encouraging people from protected groups to participate in public life or in other activities where their participation is disproportionately low.

- 9.4 The above duty has been given due consideration in the determination of this application. It is considered that there would be no significant or unacceptable impact upon persons who share a protected characteristic, over and above any other person, as a result of the proposed decision.

9.5 ***Planning (Wales) Act 2015 (Welsh language)***

Section 31 of the Act clarifies that impacts on the Welsh language may be a consideration when taking decisions on applications for planning permission so far as it is material to the application. This duty has been given due consideration in the determination of this application. It is considered that there would be no material effect upon the use of the Welsh language in Newport as a result of the proposed decision.

9.6 ***Newport's Well-Being Plan 2018-23***

The Wellbeing of Future Generations (Wales) Act 2015 imposes a duty on public bodies to carry out sustainable development in accordance with the sustainable development principle to act in a manner which seeks to ensure that the needs of the present are met without compromising the ability of future generations to meet their own needs. This duty has been considered during the preparation of Newport's Well-Being Plan 2018-23, which was signed off on 1 May 2018. The duty imposed by the Act together with the goals and objectives of Newport's Well-Being Plan 2018-23 have been considered in the evaluation of this application. It is considered that there would be no significant or unacceptable impact upon the achievement of wellbeing objectives as a result of the proposed decision.

10. **CONCLUSION**

- 10.1 The required details have not been provided. The request is refused.

11. DECISION

REFUSED

01 The Landscape Specification & Management Plan For Caerleon Campus, Newport Prepared By On Behalf of Acorn Property Group April 2023, does not include the details required by the condition. GP2, GP6, SP9 of the Local Development Plan.

NOTE TO APPLICANT

01 This decision relates to the document entitled: Landscape Specification & Management Plan For Caerleon Campus, Newport Prepared By On Behalf of Acorn Property Group April 2023.

02 The development plan for Newport is the Newport Local Development Plan 2011 – 2026 (Adopted January 2015). Policies SP1, SP9, GP2, GP3, GP6, GP7 were relevant to the determination of this application.

03 As consideration of this request did not raise significant additional environmental matters over and above those previously considered as part of the original application, it is considered that the proposals did not need to be screened under the Environmental Impact Assessment Regulations.

It is considered that the decision has been made in conformity with the Marine Policy Statement (2011) and in accordance with marine national planning policy contained within the Welsh National Marine Plan (2019) as demonstrated in the assessment of this proposal.
