Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We, unfortunately, would like to appeal against the extension at 9 Burberry Close. This extension was built without any advance notice to the residents of the Close. Building it has had the following impact - Reduced light to our office room, it extends above the fence line and is extremely close to our boundary. We feel the extension is out of proportion to the design of the house and creates an enclosed, oppressive feeling to three adjacent residents. The type of structure is completely out of character to any other building in the Close. The scale and choice of materials does not match the house or the rest of the street. We feel it uses too much of the total plot size, leaving very little open garden space.
Where did you hear about this application?	Not specified

Kind regards
