Hi Emma

RE: WORKS (POLLARDING) TO TREES PROTECTED BY G42 OF TPO 84 MON 1974

The proposed works are located within the Scheduled Monument Area of *Caerleon Legionary Fortress: Grounds of St Cadoc's Home*, comprising of buried features and earthworks representing part of a Roman legionary fortress.

This open area of land, including its mature trees, also provides both public and visual amenity, and makes a positive contribution towards the character and appearance of Caerleon Conservation Area.

Upon this basis, every effort should be made to retain the trees in good health. However, I will leave it to our Tree Team to comment upon the precise nature of these proposals and their potential impact upon the trees in question.

Many thanks,

Guy Arnall
