Subject: RE: Planning Consultation Request for case ref: 25/0474

Hello Grant, I have no comment on this application other than to support the proposed biodiversity mitigation and enhancement measures set out in Drawing Number PA/03 and the Green Infrastructure Statement. These indicate an area of proposed bio-diverse species of mix planting together with a detailed planting schedule, nest boxes and possibly bat boxes are proposed as part of the proposal.

Implementation of the GI Statement and the Biodiversity enhancement measures should be secured by planning condition.

Matt

Dear Head Of City Services

Please find attached correspondence from Newport Council with regards to the above planning application submitted on 11 June 2025.

Your sincerely
Development Management
