Attachments: ufm12_Internal_Consultee_Letter.pdf

Hi Harpreet

I would like to object to this however my arguments are undermined by the fact that we are promoting adverts on the roundabout. If you are minded to refuse it for other reasons, I would be happy to support that with highway objections. If not I don't see much point in me objecting.

Please let me know your thoughts.

Regards

Kevin

Dear Head Of City Services

Please find attached correspondence from Newport Council with regards to the above planning application submitted on 20 May 2025.

Your sincerely
Development Management
