Hi Lydia

Re: WORKS TO TREE PROTECTED BY CAERLEON CONSERVATION AREA

9 Ashwell Cottages is located within Caerleon Conservation Area.

Mature trees provide both public and visual amenity and make a very positive contribution towards the character and appearance of Caerleon Conservation Area. They should be preserved wherever possible.

I will leave it to our Tree Team to comment upon the precise nature of these proposals - and their potential impact upon tree health.

Many thanks,

Guy Arnall
