Date: 27/04/26

PROPOSAL: ENGINEERING WORKS TO RAISE GROUND LEVELS SURROUNDING THE EXISTING AI/DATA PROCESSING BUILDING TO APPROXIMATELY 9.75M AOD, INCLUDING THE IMPORTATION OF FILL MATERIAL, FORMATION OF RAISED ACCESS AND CIRCULATION AREAS, ASSOCIATED RAMP AND SURFACING WORKS

SITE: Liberty Steel Corporation Road Newport NP19 4XE

Case Officer: Geraint Roberts

Highway Officer: Kevin Jackson

Highway recommendation:

No objection.

Highway Comments:

The only highway impacts anticipated would be a lift in HGV movements for short period of time during construction. The potential routes to the site are all suitable for HGV movements. There are therefore no objections on highway related grounds.
