Description/Comments :

Please review the following question and if the answer is yes then please do not continue, instead contact the Planning Advice help team on lupenquiries@hse.gov.uk or 0203 028 3708 for further advice.

Are there any 'stacked developments' of different development types in any areas of the proposed planning application? (Examples of this could be a floor of workplaces below housing or a day care centre built above a floor of retail space).

I confirm that the enquiry does not match the above scenario and I can continue
