Oaks, Northern boundary	Reduce back crown of Oaks by foliage tip reduction to previous points to obtain a 2m clearance from house, and blend back into top of crown, see pic. Remove unstable deadwood over 25mm in diameter from all trees within clients boundary, both over clients garden and public path behind fence, but not over reem. Removing all arisings, leaving garden tidy. NB; I've only priced this for one day, they should get the worst of the deadwood removal completed, if you want more work done we can price for this if necessary.	8
