In terms of changing the roof at 6 Castle Street, NP18 1BR, I note the house is within Caerleon Conservation Area which is subject to an Article 4 Direction. The article 4 direction removes permitted development for the Removal, renewal or alteration to the external covering (including slates, tiles and ridge cappings) of the roof covering of a dwelling house. It would therefore be my informal opinion that a full planning application would need to be submitted for this change in the roof. You can apply here: [Make a planning application | Newport City Council](#)

If the works would have fallen under permitted development, then there will be a fee exemption as the site falls within an Article 4 direction.
