

# Scheme for Biodiversity Enhancements

id projects consultancy ltd

## Planning Application Supporting Documentation 14.09.25

### Project:

St Stephen & Holy Trinity Church Newport, Adeline Street, Pillgwenlly, Newport. NP20 2HA  
Proposed Installation of 2Nr. Shipping Containers for 1Nr. Community Food Pantry & 1Nr. Community Outreach Works Office.

### Address:

St Stephen & Holy Trinity Church Newport, Adeline Street, Pillgwenlly, Newport. NP20 2HA

**Agent:** Kim Rogers of ID Projects Consultancy Limited

### Research

The site is situated within an urban setting and not within 200m of a SSSI, SAC, SPA or Ramsar site identified in the Local Plan.

A study of the online database **Aderyn LERC Wales's Biodiversity Information & Reporting Database** provided the following information about the site species that could be found in the postal area NP20 2HA. Bird species as follows: -

- House Sparrows
- Starling
- Swift
- Black Headed Gull
- Herring Gull
- Curlew

Above are the results of your search for 1km grid square ST3186. Records are stored as polygons (based on their grid reference resolution). Only records stored at 1km or better resolution are returned.
