

All work is to comply with the current building regulations, local authority bye-laws, all conditions of consents and any stipulations or requirements of statutory bodies.

All works are to comply with the current editions of the British or European Standards Institution codes of practice.

All working dimensions must be taken from, checked and/or verified by the main contractor on site, prior to the procurement of any materials, the manufacture of all purpose made items and the placing of all work in hand.

Working dimensions must not be scaled from this drawing.

This drawing is copyright.
