

Planning reference: 25/0520

Proposal: Construction of a substation

Site: Celtic Way, Celtic Lakes

Public Right of Way Comments

The following points should be considered and implemented :

1. All Public Rights of Way including Green Lanes (as shown on the Definitive Map) are legally required to remain completely unobstructed and be clear and available for safe public use at all times (including during construction works – unless a temporary closure/diversion order is applied for and granted beforehand).
2. The Public Right of Way and Green Lane users must not be endangered or disadvantaged in any way by the proposals (during construction and following completion).
3. The fabric of the Public Right of Way and Green Lane must not be adversely affected in any way.
4. Public Right of Way and Green Lane users must be protected from any vehicles/plant associated with the works. All potential conflict should be risk assessed and managed accordingly.

Cofion cynnes / Kind Regards,

Leah Young
