

Green Infrastructure Statement.

11, Harding Avenue, Malpas, Newport. NP20 6QS

Proposed Demolition of existing Pre-Cast Concrete Sectional Garage and Erection of a
Single Storey Side Kitchen Extension.
Application Number 26 / 0543.

The current man made raised beds do not contain any substantial trees, hedges or shrubs.
All existing plants will be removed and transplanted to other area's of the garden.

Biodiversity Enhancement Scheme Proposals.

It is proposed to provide two number R.S.P.B. compliant bird boxes to the north east elevation of the boundary fence, along with an insect box.

A swift nesting box will be placed on the gable end of the main residence high up too the soffit of the barge boards.

As well as the existing plants being transplanted, it is proposed to provide bee friendly native wild flowers and shrubs to the garden, both front and rear.

Note ! This document should be read in conjunction with the attached site plan.

Yours Sincerly

Leighton Steer
