

FLAT 14 HEN EGLWYS
58 CHURCH ROAD

NEWPORT. NP19 7EL

APPLICATION NO: 26/0174

10-4-26

Dear Sir/Madam.

We would like to object to the HMO proposal on Church Road. It is mainly based on parking concerns, this area is over run by parking issues daily.

We live in a block of 14 flats, and our car park was built with 8 spaces, which is not sufficient. During the week, cars are parked around here, to work in Newport.

We are also worried about noise, as we get a great deal of noise already from the kebab shop opposite.

P.T.O

Yours sincerely
