Subject: 23/0895 - Phase 5E Glan Llyn

Morning Geraint

I have looked at the submissions and the comments of NRW at 20/10/23. I note that the report has been updated to address NRW comments and as such my comments in respect of Human Health remain the same as per previous submissions for this phase. If a memorandum of understanding is proposed at any stage in respect of follow on phases of remediation associated with housing development I would be happy to consider this.

Kind Regards
Steve
