**Subject:** Application 25/0596 Felling of 2 trees in the Stow Hill Conservation area

Dear Kelsey,

I am writing to say that in principle I am opposed to the felling of more trees in properties lying in the Stow Park Conservation Area. We have had many trees removed recently in Caerau Road and this site is quite closed to that address.

I find myself mostly in agreement with comments made by the Heritage Officer, but also accept that the shape of the conifer trees looks a little incongruous relative to its surroundings. What I would like to see is that the trees receive treatment to improve their shape instead of felling them altogether.

I note the Tree Officer has not objected to the felling but Can I ask her to look at the alternative of reshaping the two conifers instead of felling them entirely.

Kind Regards

Councillor Miqdad Al-Nuaimi  
Member for Stow Hill Ward  
Newport City Council
