Subject: 17/0041 Partial Discharge of Condition 04 (Construction and Environmental Management Plan) Land to the South Glan Usk Primary School

Maria,

Details of temporary traffic management for site access signage and the access for the Turner street/Herbert Street junction.

Where will the compound for the last phase of development be located.

Provision of a jet wash rarely works so a drive through wheel wash must be provided.

Kind regards

Carl

Carl Jones

Principal Engineer (Transport & Development)
