A new dome-style CCTV system would be preferred, with the camera casing colour being as similar as possible to the fascia/building fabric.

If a wired CCTV system is existing, then rather than filling existing fixing holes and creating new ones, the cameras could remain in their existing positions.

A Listed Building Consent application would only be required for the revised CCTV proposal.

In recognition of the ongoing anti-social behaviour issues affecting the site, the enforcement case can remain open until permission has been obtained for the revised proposals. The existing cameras would then be removed as the approved replacement system is installed, thereby avoiding any period during which the building is left without CCTV coverage.
