Subject: RE: 25/0570 - Llanwern Works Queensway Llanwern Newport

Morning Vicky

I have looked at the submissions in respect of partial discharge of condition and am supportive of this. I trust that noted that verification reporting will be submitted in due course.

It is also noted that follow remedial works are required of housing developers that subsequently build residential properties on the remediation Phase 4G land. These are specified within the reporting seen.

Partial discharge of condition is supported.

Cofion gorau / Kind regards,

Steve
