

## Highway Response

Ref: 26/0609

Date: 28/08/26

**PROPOSAL:**           **INSTALLATION OF EV CHARGING POINT**

**SITE:**               **559 Chepstow Road Newport South Wales NP19 9BL**

Case Officer:       Charlotte Neal

Highway Officer:   Kevin Jackson

**Highway recommendation:**

No objection, subject to conditions.

**Highway Comments:**

The applicant suggests that permission has already been granted for a kerb channel to allow leads to be used safely on the highway. Assuming that the approved channel has been permitted there are no objections to the charging equipment.

The applicant should note that cables cannot be placed on highway without the channel and works on highway require separate licence, which is independent of Planning.
