Dear Sir

Re: S73 application to vary conditions 1 (plans), 6 (bio diversity enhancement) and 10 (FCA) of planning permission 22/0952 demolition of existing buildings and structures and the erection of a new HGV gatehouse, alterations to the existing site access and associated works
Eastern Dry Dock, Marshalls Mono Ltd Corporation Road Newport NP19 4RE
Pl.App.No.: 25/0875

Thank you for consulting us about this application; consequently we have reviewed the detailed information contained on your website.

We previously commented on application 22/0952, most recently in our letter dated 13th February 2023, when we recommended a condition (condition 2) be attached to any consent. However, the current proposal does not deal with any archaeological constraints or conditions. Therefore we have no further comment to make at this time.

If you have any questions or require further advice on this matter please do not hesitate to contact us.

Yours faithfully

R. Dunning
