Hi Emma

Re: WORKS TO TREES PROTECTED BY CAERLEON CONSERVATION AREA

The green spaces across the Conservation Area typically correspond with Scheduled Monument sites, including the barracks area and the amphitheatre field. These are well-maintained, open spaces which provide both public and visual amenity. The mature trees to these areas make a very positive contribution towards the character and appearance of the area and should carefully preserved.

I shall leave it to our Tree Officer to determine whether the works are necessary.

Many thanks,

Guy Arnall
