Subject: RE: Trees in conservation areas application to NCC reference 26/0061 - Amphitheatre, Caerleon

Hi Joanne,

Following Nathan's clarification, I confirm that the trees crowned at 6m will continue to screen the amphitheatre from the Broadway Farm barns as intended and I am not concerned about the impact of the proposed works on the amphitheatre's setting.

Cadw's Historic Environment Inspectorate is content for the application to be determined.

With best wishes,

Jon
