Dear Geraint

Thank you for consulting Natural Resources Wales on the above application.

We have reviewed the planning application submitted to us, and note these are not NRW requested conditions. We therefore do not have any comment to make on the proposed development. Please note that our decision not to comment does not rule out the potential for the proposed development to affect other interests, including environmental interests of local importance.

The applicant should be advised that, in addition to planning permission, it is their responsibility to ensure that they secure all other permits/consents relevant to their development.

We trust that the above comments are of assistance however, should you have any queries, please do not hesitate to contact me.

Kind Regards  
Lindy Marshall
