Subject: FW: Planning Consultation Request for case ref: 26/0690

Hi Vicky,

There appears to be trees to the west and south of the site that are likely to be impacted by the proposed drive way and bin store. We would need to see evidence that there will either be no impact due to build method or adequate compensation. They will need a BS5837 survey and impact assessment to evidence this.

Cofion Cynnes / Kind Regards,

Richard Baron
