Subject: RE: 20/0875 - Land To South Of Glan Usk Primary School Herbert Road Newport South Wales

Hi Grant

Phase 2B & 2C Validation Reporting Plots 39-46 & 56-75 should be the latest subject of partial discharge of condition.

Tom James at Engie should also be able to confirm that this is the current extent that I have supported.

Lydia is also looking at this site but 20/0636 I think.

Kind Regards

Steve
