The electricity network can change at any time. Never work from old plans

With reference to your NGEDWebMap request for electricity network information plans please find attached:-

1. Plans (always print in colour)
2. Letter which includes safe digging and contact information.
3. Avoidance of Danger safety booklet
4. Look out look up safety booklet

Please ensure that you request a current plan before commencing any on site works. The mapping can change at any time. For your safety you should always work with the latest information available. Always refer to the key on the plan. **If in doubt, ask!**

The attached files are in PDF format, to view them you will need Adobe Acrobat Reader(R). You can download it free of charge from

<http://get.adobe.com/reader>

In order to ensure that the attached plans are printed to scale please ensure that you remove all page scaling options when printing. This option is usually found on the print menu. For example, in Adobe Reader ensure that the "Page Scaling" option is set to "none". Also ensure that you print on a paper size that matches the requested paper size.
