Hi Marnie,

Following my last email, I can confirm that the tree removal and landscaping will be carried out between the Landscaping and demobilisation phase (01/12/2028, and will end 29/04/2029). Whilst wider site clearance will commence in September this year, the trees along Usk Way can be retained during the main construction phases. As such, they don't need to be removed until the final landscaping phase.

Kinds regards,

Max Cruse - Graduate Planner
