Planning application 26/0250. Car park on Station rd Llanwern.

I fully support the proposed car park for the village Hall on station rd .Llanwern.

The village Hall is used extensively for a variety of events clubs and groups.

Currently there is only on road parking with no pavement at all to access the Hall.

There is a mums and tots group which meet weekly abd like all Hall users are forced to walk on the road to get there.

This car park is desperately needed as a safe way to access the hall and reduce on road parking . With the increased housing in the village there is also an increase in traffic.

This will also reduce vehicle obstruction on the road.
