Dear Sir

Re: CAC: Removal existing detached garage with associated works:
Lawnside, 2 Stow Park Circle, Newport.
Pl.App.No.: 25/0358

Thank you for notifying us of this application; consequently, we have reviewed the detailed information contained on your website.

Information in the Historic Environment Record, curated by this Trust, shows that there are no known archaeological assets within the application area, additionally it is situated outside of any Archaeologically Sensitive Area. A review of historic mapping shows the footprint of the existing building present on Ordnance Survey (OS) mapping dated 1841-1952.

The proposed development involves the removal of the existing detached, single story garage with associated works. The area has been disturbed by the existing garage, and in an area of low archaeological potential, as such it is unlikely that archaeologically significant material will be encountered during the course of the proposed works.

If you have any questions or require further advice on this matter please do not hesitate to contact us.

Yours faithfully

Mike Jones
